## Summary

Hi! I'm Bardia, a current sophomore at Dublin High School, California. I have experience in computer science as a full-stack developer and as a Linux Systems Administrator. I'm always looking for internships and other new opportunities, so please don't hesitate to contact me!

## Experience

### Lead Developer

GOOP House LLC

May 2021 - Present (1 year 1 month +)

- Builds the software systems and websites that make Goop House tick.
- Host all Goop House services and pages on my local data center.
- Greatly assisted in the organization's growth to over 2,500 active members.

### Code Coach

theCoderSchool

May 2022 - Present (1 month +)

- Currently going through onboarding

### Delegate

Model United Nations

Sep 2020 - Present (1 year 9 months +)

- Have attended 6 conferences so far
- Successfully passed 15+ resolutions and directives
- Very active in the school's local organization

### Chapter President

Democratic Socialists of America

Apr 2021 - Present (1 year 2 months +)

- Run the YDSA (Youth Democratic Socialists of America) Chapter at our school.
- Participate in debates with other political organizations at the school.
- Plans to further expand are already in place.

### System Administrator

Linux

Apr 2021 - Present (1 year 2 months +)

- Manage, develop, and expand a local enterprise-grade data center.
- Host (oftentimes for profit) other developers' applications on high availability clusters.
- Provide public services to other users.

## Software Engineer

Freelance Software Development

Jan 2020 - Present (2 years 5 months +)

- Work with clients to deliver the best possible final product.
- Most of my work was done in Java, Node.js, and Rust.
- Efficiently worked with others on successful projects.

## Education

### Dublin High School

High School Diploma

2020 - 2024

### Las Positas College

Information Technology

Jun 2021 - Aug 2021

### Chabot College

Cyber/Computer Forensics and Counterterrorism

Jun 2019 - Jul 2019

## Licenses & Certifications

**CompTIA A+ - CompTIA**

**Information Technology Specialist: Python - Certipoint - A Pearson VUE Business**

90052436

**Information Technology Specialist: Cybersecurity - Certipoint - A Pearson VUE**

Business

90052436

## Skills

Full-Stack Development • Java • Linux System Administration • C++ • Application Programming  
Interfaces • Data Management • System Administration • Computing • Cybersecurity • Programming
